

This is our school: Welcome to "Scuola Media Amaldi"

Our school is a Middle school, part of Istituto Comprensivo in Via Cassia in Rome. Our school is in the North of the Capital city of Italy, near the famous "Via Francigena". There are 1000 ca students in our buildings in "Olgiata", a residential area in Rome.

Our School life

Sport

This is our gym. We do P.E. lessons here and practice sports like Volleyball or Basketball.

ICT Lab

In our ICT Lab we work at our scientific and technological projects, but eTwinning too! There are 24 computers and each student can study and work there using digital tools.

Music Room/Theatre

We have different music and theatre projects and we use this room to play. Our performances take place there!!!

Our School life

Library

Our library point is used to read books , in foreign languages, too .

We use this room for leisure activities like chess plays or reading groups.

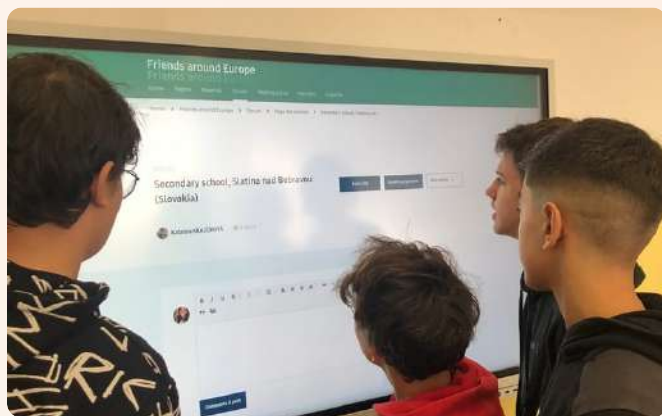

Garden

We spend spare time in our garden and enjoy sunny days with classmates and other students of the school.

Our Classrooms

Our Classrooms are well equipped with boards and IWB, so we could have access to digital tools to make our lessons more cooperative and less boring!!!!

Some of our activities and projects

1 Sport

"La corsa di Miguel"

We join this sport event for schools in Rome, in which our students have to do a run competition. Last year one student of our school won the competition!!

2 Stop Bullying "Conosco quindi scelgo"

We plan workshops for students to make them reflect on the topic of bullying and cyberbullying.

3 Web Magazine

Our school magazine is rich of articles written by our students about different themes.

4 eTwinning and language projects

We join eTwinning projects to promote cooperation and to encourage students to communicate in English and French doing active lessons.

**We hope you enjoyed our
school presentation!!**
